

Summers County Post Offices

“To exit, hit the “X” on your browser’s tab for this page.”

Summers County is rich in history. One of the things that folks might take for granted is all the Post Offices that are scattered around our county. Our friend, Vicky Maddy, has taken the time to visit these sites, and photograph these historic buildings. Some day, many of these structures will be gone.

Thank you Vicky, for sharing these with us!

Reflect on the building(s), and the Postal employee(s) that served you, when you were growing up in Summers County, or which now continues to serve you.

You've got mail!
