The girls had a very successful season. As this goes to press, they are undefeated. The season was opened with the Talcott girls whom they overwhelmingly defeated 36 to 12. Against Armstrong College, Lena Vass proved her supremacy by scoring 22 points. The final score was 28 to 12. On their first trip out of town they came near defeat at the hands of Sandstone. Margaret Morris scored a field goal in the last minute of the game to win by the margin of 14 to 12.

The Girls' Athletic Association was organized under the direction of Miss Sutton, to stimulate interest in girls' athletics and to promote the ideals of sportsmanship and health.

The sports are divided into three groups: (1) Major—including Indoor Soccer, Basketball, and Baseball; (2) Minor—Volley Ball and End Ball; (3) Individual—Quoitennis, Basketball shooting and Handball.

For participating in these sports the girls are awarded points. 1500 points are needed to win the coveted "H"; however, only 750 points are required for numerals. Besides this she must meet the requirements of scholarship and sportsmanship. Extra points are awarded for long hikes and other outdoor activities.

High School Organizations

For the sake of completeness, The Dart Staff of H. H. S. wishes to mention the other clubs of our school which do not have pictures.

The Forum Club, a society for the development of public speaking, was organized this year and has progressed rapidly. Mr. Pyles was responsible for the organization of this club.

The Varsity Club and Junior Varsity Club, made up of letter men, and sponsored by Coach Garrity and Mr. Eckard completes the list of organizations.

Give a little, live a little, try a little mirth;
Sing a little, bring a little happiness to earth.
Pray a little, play a little, be a little glad;
Rest a little, jest a little, if the heart is sad.
Spend a little, send a little, to another's door;
Give a little, live a little, love a little more.
