Foreword

Hinton High School is on parade! In this event there are no onlookers. Everyone is a participant, for each teacher leads his "band" of pupils through the crowded streets. The triumphant students march another year closer to their goal, passing avenues of Knowledge and Learning on the way.

Waving their orange and black banners and singing their school song, the upper classmen and lower classmen alike, are one in spirit, truth, and loyalty to "dear H. H. S..."

Soon 107 of the 884 Students will turn from the "band" and march into the street of the Future. Confronting them is all the anticipation, bewilderment, and aspiration associated with innovation---a new parade in life.

They are leaving behind their fellow students and marching away. Some may fall out of step, and some may change their course. But the parade will still go on, and new "bands" will take the place of the old.

Yes, the students of Hinton High's parade will keep marching, marching from today into tomorrow, from Hinton into the future.

Best wishes always
to a real great guy. Remember
all the crazy times when I
used to stay with Linda. May
you have just the best of
everything.

To the Class of 1963:

I hope your 1963 Dart will serve as a reminder of the pleasant memories of probably the happiest days of your life, your year at Hinton High.

May your future efforts be crowned with success and happiness.

May God bless you.

Class History

In the fall of 1957 another group of so-called "bothersome seventh-graders" entered the halls of Hinton High School. For our first year of confusion we elected Richard Adkins to lead our class as president.

At last we became eighth graders with Wilma Bennett leading the class as president. We felt a little abused, however, because we were without assigned homeroom seats for assemblies.

The next year we were Freshmen and began to feel as though we were a vital part of high school life. Kathy Moore was elected president.

Before we knew it we became Sophomores. What a great feeling to know we were now over the truly hard years of becoming used to H.H.S. This year we elected Larry Harris as president.

No longer were we a confused group. We walked with an air of confidence as we were dubbed Juniors. Highlights of this year were the Junior Play, THE BIG BLOWUP, and our Junior-Senior Prom. The theme used was a Southern Plantation and our class colors of baby blue and white were used for streamers from the ceiling. The greatest part of this prom was the band---The V.P.I. Collegians. Our Junior Class president was Janie Webb.

Our last election rolled around with Kathy Moore elected class president and Richard Adkins elected Student Body President. We then realized that our high school days would soon come to an end.

With a mixture of joy and sorrow we face the remainder of our Senior year which will lead to the Citizenship Pageant, Baccalaureate, and Commencement.

Yes, as we face the future we shall recall our happy memories of Hinton High School and our motto shall remain: "Let us raise our standards to which only the wise may repair."

Team Record

The Bobcats opened their season against the highly touted Stoco Indians at Stoco. A fourteen point underdog, the 'Cats surprised everyone by rolling to a big 45-12 victory. Angotti lead the scoring with four touchdowns. Anderson scored twice and Peterson once.

Crippled by injuries in the backfield, the Bobcats journeyed to Peterstown, and won by a 31-7 margin over the scrappy Pirates. Adkins, Angotti, Charlton, Connor, and Sowder each scored once.

In their first home game, the Bobcats spotted the aroused Cedar Grove team an early touchdown before going on to win 26-6. Angotti scored twice, Anderson and Sowder each had one.

The next week brought on the big game with Mt. Hope. Both teams were way up for this one but the Bobcats were easily the best team, rolling to a 33-6 win in a great team effort. Peterson had two scores while Angotti, Charlton, and Sowder each had one.

The Bobcats met with their first defeat of the season at Princeton. The 'Cats couldn't get any defense going until the last quarter when they made a spirited but futile effort to pull the game out. Peterson scored twice while Angotti and Charlton scored once.

The Bobcats's next journey was to Bluefield, where they gave the State Champs a real battle before a rash of intercepted passes aided the Beavers to a 40-7 win. Connor scored Hinton's only touchdown.

The next week was Homecoming week for Hinton and the Bobcats made it an enjoyable one by beating the Shady Springs Tigers 38-6. Peterson and Crawford had two scores apiece, while Angotti and McDowell each scored once.

The Bobcats journeyed to Oak Hill next for an important conference game. The Bobcats rose to the occasion rolling to a big 34-0 win. Peterson and Anderson each scored twice, while Adkins scored once, with a sensational catch of a pass from Mark Hannah.

Once again the Bobcats came home to meet Alderson at the newly dedicated Stokes Stadium. The 'Cats won, going away by a 44-0 count. Angotti and Gibbs scored twice while Sowder, Gibbs and Connor once, with Connor's score coming on a beautiful 50 yard kickoff return.

The Bobcats finished their season against the rival Beckley Flying Eagles on a rain soaked, muddy field at Stokes Stadium. The Bobcats dominated most of the play, but couldn't push one across in the mud, while Billy Karbonit managed to score once for the Eagles, making it a 6-0 for the Bobcats.

Back in 1954, after the fire and the building had no piano. The P.T.A. named a committee, which Mrs. Webb decided to buy a piano. That committee could have chosen a better instrument but they decided to buy a good piano while they were doing it.

The school is indebted to many citizens of Hinton, for having made the fine instrument possible. We want to thank them and appreciate it long after it was bought.

It is something of which to be proud, something to care for and cherish—after all, it brought forth praise from the Great Rubinoff and it accompanied his \$100,000 Stradivarius.

er: Rubinoff, e Baldwin Grand

Remember about Rubinoff's visit to Hinton—specific his showmanship. Yes—there are many things which we can tell you which was important to him. The acoustics of the auditorium to hear him, he said that a wonderful instrument this piano is. It is one of the best in the United States. I like to perform in the auditorium in my natural tone of voice. Lights are excellent. I like to perform in the auditorium.

But possibly so, if programmed learning and other schools the same way they have caught on. Boys and girls in Roanoke—nearly one-fourth of the students taking math and languages by programmed instruction. They do all their work during the period of those classes, at programmed instruction time, and nearly all students that will mean homework. All over the country, teaching machines both student reads hundreds of questions to each question. Such a way that it gives answers to each question. The answers to answer all of them without a question. When the student answers a question, he checks by his machine (or by moving a flap in a programmed book) if he is correct (and he usually is), he goes on to the next question. Each question adds a little more information to that given in previous questions until, when he finishes his course, he's supposed to learn.

Since the whole course is contained either in a machine or textbook, there is no need for any homework. As a result, the students just don't have any.

And the boys and girls who have no homework love it.

Life, we are not spending a week? If you are an average teenager at Hinton High School, you will probably spend from \$4-9 dollars each week.

In a recent poll taken in the first class and the fourth this is what the results were:

\$2.75 a week for only included cokes, chips, \$14.94 was spent on clothing, miscellaneous, spray, cigarettes, shoes, polish. Oh, spent .50 for a doll for a child!

Oh gods, can you dwell? I find you green heaven quite intolerable hell!

Allah, Brahma, to whom shall I, my soul sell? Such or who or what the Truth? Can I or can I tell?

When on the lonely road I wander And the chill (Death) overcomes Then shall I scorn the paragon For Torches victories won. Now is the pain The searching in mind's maze Waiting for the Moment To lift the blinding haze.

On a spelling quiz administered by Mrs. Fife, Nancy was the only one in class who spelled "Khrushchev" correctly while everybody else disagreed on it's spelling. They wrote something like this: "Kruschev", "Khrushcheve", and "Kurscheve."

"Guantanamo" is fairly easy but Frances Bennett was the only one who could spell it. Here is how our spelling went: "Guantanamo", "Guantanamo", and "Guantanamo."

Some of other misspelled words were: "Presbyterian", "Lutheran-Luther-Methodist", "Episcopalian", "Catholic", and "Catholic".

THINK THIS OVER

The Clock of Life is wound but once
And no man has the power
To tell just when the hands will stop,
At late or early hour

Now is the only time we own
Love, live, toil with a will,
Do not wait until tomorrow,
For the Clock may then be still.

*This poem was engraved in a watch
presented to Dave Rubinoff, the
great viol'nist, by his friend Will
Rogers.*

Printed for Mr. Rubinoff by Min-
nesota State Training School in ap-
preciation of his kindness in talking
and playing to our boys.

On November 12, 1962, Hinton High School
was honored with a concert by the world famous
Rubinoff and his violin. During the program he pre-
sented our school with a poem inscribed in a watch
which was given to him by Will Rogers. In order
that this poem might be shared with all the students
of H. H. S., Mr. Rubinoff requested its being used in
the annual. The poem holds a great lesson and we
should feel honored to have it in our Dart.

Hinton High, dear Hinton High, our hearts

shall ne'er forget,

The golden haze of student days, is round

about us yet.

Our love for you so dear and true, through

years shall never die,

There's hope, there's strife, there's joy,

there's life,

There's all in Hinton High.
