

Watching our Memories Video

Hey folks,

This page is behind on posting. Richie Richardson scrutinized Facebook and grabbed all of the reunion's postings. He verified them, converted them into a website format and posted them promptly. Since Richie unexpectedly passed in January of last year, the reunion postings have been sparse on our website. Jimmy Noel isn't on Facebook and needs to be notified by email of any upcoming reunions. His email address is: jimnoel1925@hotmail.com

We're happy to announce any new reunion gatherings. Just reach out.

Jimmy
