(Watch the above YouTube video)

Junior Gill is best known as the driving force behind Junior Gill's Toy and Food Drive, a long-running community outreach program in Summers County, West Virginia, that has been helping children since 2008.

Community Work — Toy and Food Drive

Junior Gill's **Toy and Food Drive** has been providing toys, clothing, and hygiene products to children in need across Summers County for 18 years. In 2023, the program expanded to assist children in Fayette and Mercer counties. The drive has annually distributed nearly **250 children's packages** in recent years, with applications open for children aged 16 or younger.

Gill credits the support of residents and businesses for making the program possible. The drive is open to donations year-round and interested individuals can contact Junior Gill directly at **304-860-8681** for application or donation information.

SPIRIT OF HINTON

JR. GILL

2025

Jr Gill is a lifetime resident of Summers County. He has worked as a mechanic and previously owned his own towing company. Jr has since retired from automotive work and focuses his time on his Toy Drive. The Toy Drive was established 17 years ago by the Ghostriders Motorcycle Club, where Jr was a dedicated member. After retiring from the club, Jr continued the Toy Drive independently as a way to support children in Summers County during Christmas. The organization is registered with the WV Secretary of State as a non-profit, and Jr now serves as its president. He works tirelessly year-round to secure donations and expand the program. Thanks to his efforts, the Toy Drive has grown tremendously, providing toys, shoes, and clothing to more than 250 children last year. This year, Jr hopes to make Christmas possible for even more kids in need.

"Congratulations to Jr Gill this year's Spirit of Hinton recipient. Your efforts toward the youth of our community are outstanding. Thank you for your service."
Mayor Scott

For more information about how to donate and the application process, you can contact Junior Gill at [304-860-8681](tel:304-860-8681) or email - jrgilltoydrive@gmail.com.
