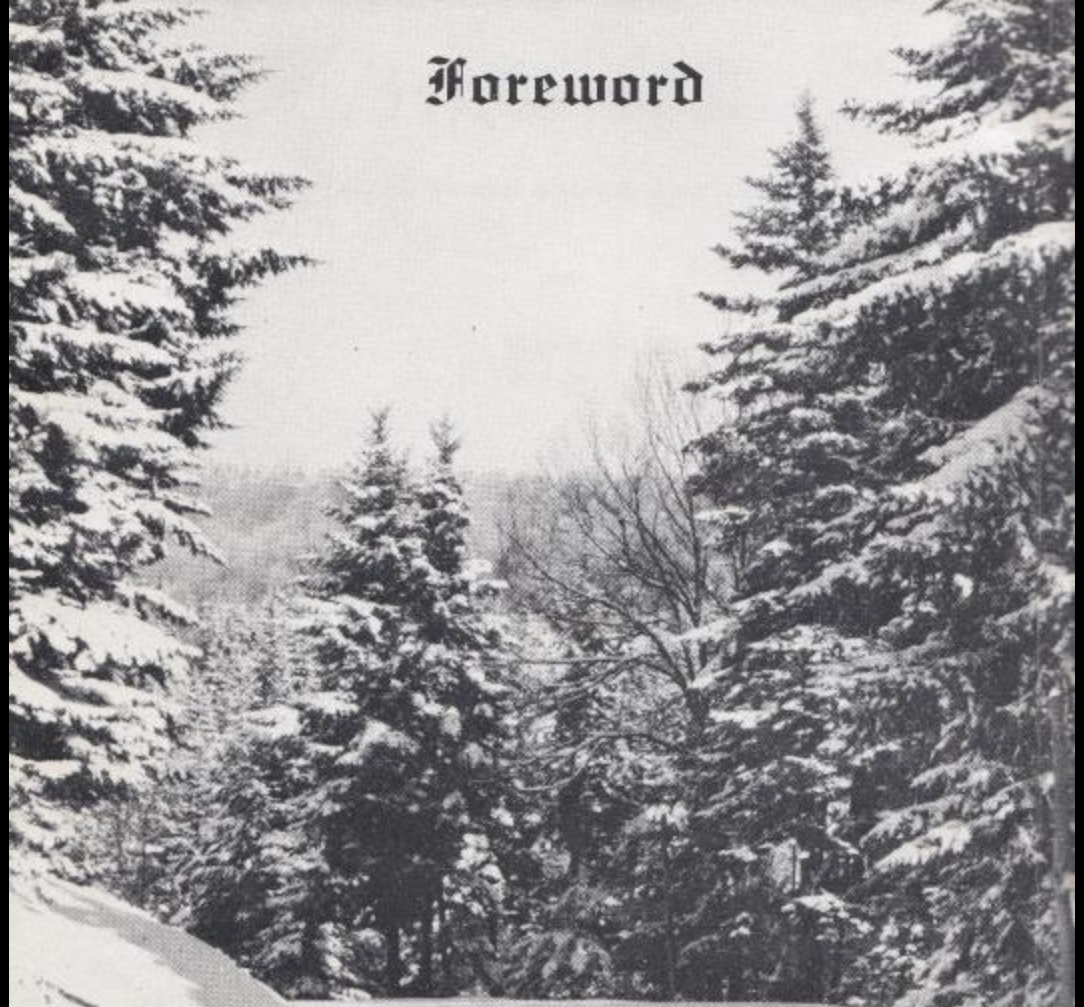
Foreword



Faith and Memory

Faith is the open road that beckons as we make our uncertain journey into the future, and memory is that oft traveled bridge that links us forever with the past.

Man with his wildest imagination, superior intellect, and advanced technology still cannot accomplish great things without both of these attributes; Thus, memory becomes the foundation upon which great things are wrought through faith.

Yes, the open road calls; we follow; and all the events of yesterday and today become the memories of our tomorrows. We sincerely hope that our 1975 "Dart" will become one of these.

Guidance

Miss Lois Hutchison

Dedication

The Senior Class of 1975, proudly dedicates its yearbook to Miss Lois Hutchison------a person who has dedicated her entire adult life to the welfare of the boys and girls of Hinton High School.

Even before her graduation from Hinton High School in 1931, she efficiently and successfully served a stern and exacting principal as an office girl in charge of attendance.

Following graduation from Marshall University in 1935, she returned to Hinton High School as a teacher of mathematics. Later she received a Masters Degree in Guidance and Counseling from Marshall University. She then served as full-time mathematics teacher and Guidance Counselor, later as part-time teacher and Guidance Counselor, and finally as full-time Guidance Counselor.

Aside from her regular duties she has behind the scenes assisted with many school activities, including the development and operation of the National Honor Society. She has had a key role in the organization and development of the all important and unique Citizenship Pageant, and has also been most helpful in the preparation of various programs related to commencement.

Quiet, unassuming, humble, patient, considerate and understanding, kind, but firm, she has remained in the background, being helpful alike to principal, teacher and student.

We earnestly wish her all the best life has to offer as-----teacher, counselor and friend.

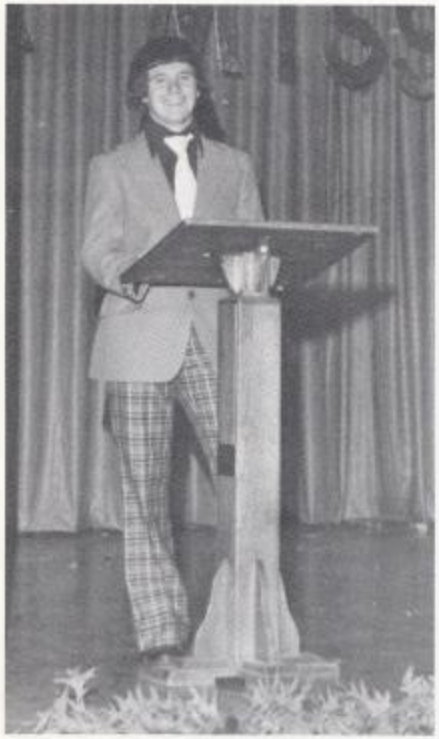
Student Body President



Mark Keaton

Voted "Best All Around" by his classmates, Mark Keaton is our 1974-1975 Student Body President. He has been an inspiration and help to all of the students at Hinton High School. Mark wanted to be Student Body President because he was in the Student Council as a junior, saw what they were trying to do, and thought being president would be the best way to help them. He encourages students to support their student council because this is the only way things can be accomplished.

As a student, Mark enjoys math, science, athletics, and most of all basketball. His hobbies are hunting, swimming, sports, and reading. Mark is the 2nd of four children and lives at Nimitz. He plans to attend Concord College after his graduation and major in pre-med.

We're proud to have Mark as our Student Body President and all join in saying, "Thanks, Mark!!"

Best wishes
Mark

Citizenship Pageant

Masonic Building

A Citizenship Ceremonial

We at Hinton High School can be justly proud of our Citizenship Pageant for it is the only production of its kind anywhere in our state. It pays tribute to the "students of today who will be our citizens of tomorrow", and is an impressive production enjoyed each year by both the school and community.

Written for the purpose of giving recognition to students who display high ideals of citizenship during their high school years, the Citizenship "pageant" was first produced at Hinton High School in 1943. A Hinton High School teacher saw it produced in Cabell County and thought it was so appropriate and impressive that permission was obtained from the author to stage it at Hinton High School.

The pageant, which was first produced in the Masonic Opera House that was destroyed last year by a tornado, is a joint effort of the school and community.

The awards, consisting of medals and certificates, have been sponsored for many years by the local American Legion Post. Members of the various classes take part in the production acting as speakers for the traits of characters, Mother Liberty, Education, and Democracy, are portrayed by citizens of the community, without whose cooperation the show could not go on.

We are grateful to all those whose efforts make this beautiful and memorable drama a part of our senior experience.

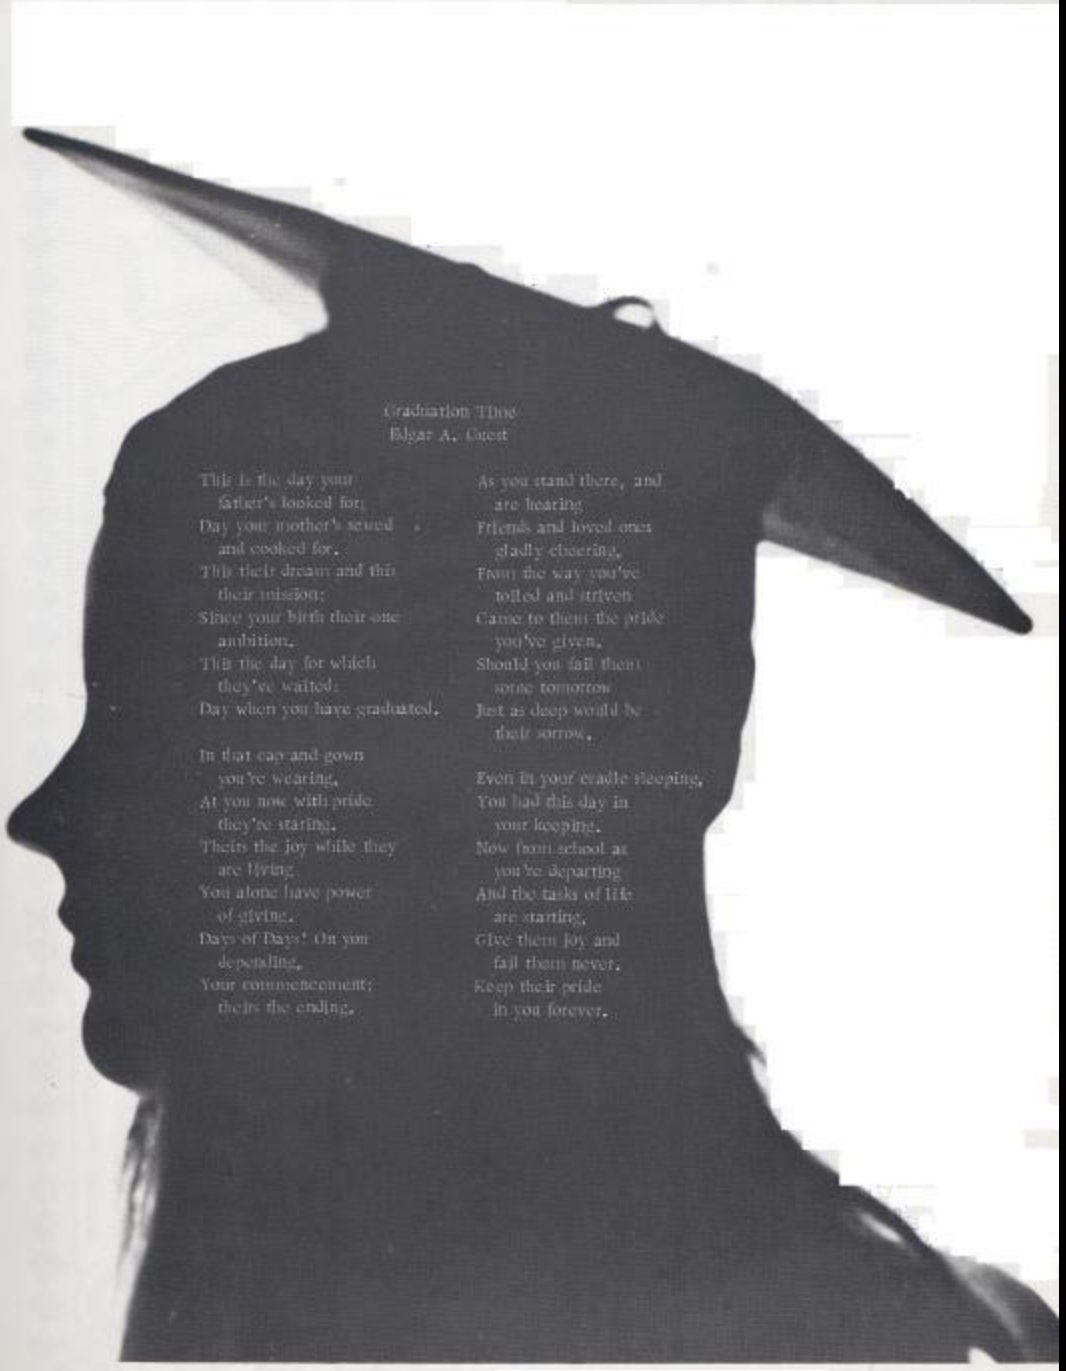
And That Lost Feeling When It Was All Over!



Graduation Time
Edgar A. Guest

This is the day your
father's looked for;
Day your mother's sewed
and cooked for.
This their dream and this
their mission:
Since your birth their one
ambition.
This the day for which
they've waited:
Day when you have graduated.

In that cap and gown
you're wearing,
At you now with pride
they're staring.
Theirs the joy while they
are living
You alone have power
of giving.
Days of Days! On you
depending,
Your commencement;
theirs the ending.

As you stand there, and
are hearing
Friends and loved ones
gladly cheering,
From the way you've
toiled and striven
Came to them the pride
you've given.
Should you fail them
some tomorrow
Just as deep would be
their sorrow.

Even in your cradle sleeping,
You had this day in
your keeping.
Now from school as
you're departing
And the tasks of life
are starting,
Give them joy and
fail them never.
Keep their pride
in you forever.
