(From Horizonfuneralcremation.com)

William Rush Cary, age 73, went to heaven on Saturday, September 30, 2023. During his 22-year battle with cancer, Bill fought hard for his loved ones and eventually passed away peacefully at his home, surrounded by his beloved wife and daughters.

Bill was born in Clifton Forge, Virginia, on December 29, 1949, to Albert and Martha Cary. He spent most of his childhood in West Virginia, although his family moved every two to three years because Bill’s father worked for the railroad.

Bill graduated from West Virginia University with a degree in Civil Engineering. Even though he moved to Florida shortly after graduation, he was always a die-hard Mountaineer fan. Bill met the love of his life, Anne Sydnor, in Fort Lauderdale. She just so happened to be a West Virginia girl herself, which made their incredible bond even stronger. Bill and Anne were blessed with two girls, Andrea and Katie.

Bill was a passionate Christian, a devoted husband, father, grandfather, brother, and uncle. He was highly respected in his career and always put others before himself. He will long be remembered for his infectious laugh, kind spirit, and keen sense of humor.

Bill is survived by his wife, Anne, to whom he was married for over 45 beautiful years; his daughters and sons-in law Katie and Edward McLean and Andrea and Bob Dechert. His true joy came from his five wonderful grandchildren: Lacy (13),

## **Jack Ashely “Jackie” Holt**

**January 6, 1949 – November 2, 2023**

(From – Andrewsmortuary.com)

It is with profound sadness that we announce the passing of Jack Ashley Holt, a cherished husband, father, grandfather, and a true pioneer in the field of mine safety. Jack left us peacefully on November 2nd, after a courageous battle with dementia.

Born on January 6th 1949 in Hinton, West Virginia to Jack and Enola Holt, Jack was a man of exceptional intellect and compassion. His early life was marked by a strong work ethic and entrepreneurial spirit, which inspired him to found many early “start-ups” in his high school career, including a pet cemetery, driving school and a mineral water company he called “Holt’s Crystal Clear.”

Jack was a natural born leader. He was president of his High School Class, his fraternity (Pi Kappa Alpha) and his freshmen through senior class at Marshall University (among many other honors too numerous to list). He also led several of his family members to join him in his passion for running races, including marathons!

Jack’s enterprising nature eventually led him to a distinguished career in mine safety. His innovative spirit and unwavering commitment to the well-being of miners brought about groundbreaking changes in the industry. His work not only improved but saved countless lives, earning him deep respect and admiration from colleagues and workers alike.

Jack's dedication to safety was paralleled only by his love for his family. A devoted husband to his wife Judy for 50 years, he was a pillar of strength, support, and love. As a father, he instilled in his children the values of hard work, integrity, and kindness. His grandchildren knew him as a playful and gentle soul, who always wore a smile and woke up early to buy them donuts.

Those who knew Jack understood that his influence extended far beyond his professional achievements. He was a mentor to many, always ready to offer guidance and support. His infectious smile, warm embrace, and genuine interest in the lives of others made him beloved by everyone he met.

Jack's legacy is not only in the safer mines he leaves behind but in the hearts of all who were fortunate enough to know him. He will be profoundly missed, yet his spirit will continue to inspire us all.

Jack is survived by his wife Judy Jones Holt; children: Jack (Sandy), Kristin Stadler (Mike), his grandchildren: Jacy and Jaclyn Holt and Dylan Stadler, his stepmother Katherine Holt, mother-in-law Rhodetta Jones and his beloved dog Disney.

When he retired, Jack's passion was to reinvigorate his hometown of Hinton, West Virginia. He spent countless hours on this cause. In lieu of flowers, we ask you to donate to the organization near and dear to his heart: [www.hhsmad.org](http://www.hhsmad.org).

Celebrations of his life will be held at some later dates.
