(From Ancestry and Findagrave.com)

GLENN RUTH COLANERO (Farley), 76 years old, became an Angel in heaven on January 6, 2021. She was the daughter born in Summers County, West Virginia on January 4, 1945, to the late William and Faye Farley of True, West Virginia. Glenna grew up on True Rd near Pipestem State Park with her parents and two sisters, Patty Farley of True, WV and Juanita Phillips husband Donald of Lerona, WV. Patty, Glenna and Nita shared a very special bond and love for each other. A love so great that it was admired by many.

Glenna was prone to illness throughout all stages of her life. She was scarred with polio at a very young age then later in childhood diagnosed with epilepsy but whether it was receiving the highest award in 4H or making it early in life on her own, she never allowed her health or life long illness weaken her drive and determination she had to live life to her fullest ability.

Glenna was a country girl right out of high school when she moved to Charleston WV to further her education. Through this journey in her life is where she met her future husband and to this union was born her most valuable possession, her girls, Deanne Dyson husband Maurice of Fairmont WV and Melissa Huffman husband/favorite care giver to Mamaw Rodney/Pudder of True WV. The pride and joy for her two beautiful daughters made Glenna's life so very defined and was beyond the happiest and highest achievement in her life. Glenna's love for her family not only for her girls but for her grandchildren/great grandchild, Samantha Lemley fiancé Joey, Cole Atha, Chaz Colanero, Chase Colanero fiancé Elizabeth,

Manning Broschious, Iszabella Colanero, Benedica Broschious, Cambria Broschious, Jerry Broschious and Alan Atha made her life so very complete.

In 2010, after devoting more than forty years as a secretary/ radio operator, Glenna retired from the Department of Natural Resources in Farmington, WV. She then moved her residence back to True WV where she felt fortunate to spend the next few years with her mother.

Glenna was a very strong willed and remarkable woman with a heart full of love for everyone. She was a loving woman who enjoyed the simple things in life, like going out to dinner with friends/coworkers, attending family reunions or spending extra time with family. Although she lived a simple life, it was a life that everyone around her could not help but admire. She lived her life by being a great example of a devoted wife, caring mother/grandmother and true Christian to the Lord.

Everyone in Glenna's family knew that she would be there to provide and love them until the end. There was no greater love that could have been given to her family and from the eyes of many, there is no greater woman who will be forever and so sadly missed.

WE LOVE YOU MOM; WE LOVE YOU MAMAW

Glenna also leaves behind many nieces, nephews, other family members, and friends.

Glenna is preceded in death by her oldest and youngest grandsons Morgan Atha and Christopher Huffman. We have true belief that Mamaw is rejoicing in Heaven while she walks beside Morgan and cradles Christopher in her arms.

Requested by her sister, Nita: JOHN 15:13 - Greater love hath no man than this, that a man lay down his life for his friends. **THIS WAS MY SISTER**

A memorial and burial for Glenna will be held and information given at a later date.
