

# Project # 6

## Painting and Cleaning the Hinton Train Depot 2015

“To exit, hit the “X” on your browser’s tab for this page.”

# Kent Bartgis Power Washes the Outside

# “Mrs.” Pat Hanifin & Cotty Farley Power Wash the Outside of the Depot

Doctor Steve Richman  
takes a moment to pose for our  
photographer.

# Scaffolds and Ladders were everywhere.

# Lee Roy “Soapy” Farley spiffs up the curb.

# Jackie Holt paints the overhang outside of the Depot.

Jackie sports a new  
overhang hairstyle... ;o)

Mayor Joe Blankenship and Davey Madison stop by to give thanks to all the volunteers.

“Mr.” Pat Hanifin  
rolls the outside overhang.

Inside the Depot,  
the floor gets a sharp looking  
paint job.

Cotty Farley, Pat Hanifin, & Jackie Holt try out the nice clean benches in the waiting room.

Rhodetta Jones Hamm gives Cotty Farley a hug of thanks to the MADmen for this project.

# Completed!

## Bring on Railroad Days...

# Project Completed!

- ▣ Once again, many thanks to all of the volunteers and business sponsors who made this project happen. From the Ladies auxiliary groups, to the diligent workers, we thank you from the bottom of our hearts! Stay tuned for what's next. Check us out on our website.
