Student Life

Change

Every year at HHS is different and exciting. The 1984-85 school year has been a memorable one. Students and teachers alike had some readjusting to do from last year.

There was a change in leadership at HHS this year. Michael D. Allen became principal. He was formerly principal at Talcott Junior High School before transferring to HHS in 1984. Mr. Allen introduced new rules and policies at HHS that weren't hard to adjust to. He has become greatly respected in the short time he's been here.

Moments We've Shared

Like the leaves in the fall,
All things must change.
Friends must part
And lives rearrange;
The moments we've shared
We can never replace;
For in our minds
They will never erase.

BOTTOM LEFT: Bell changes leave students carrying armloads of books from class to class so bookbags have become popular among HHS students.

Fashion at HHS

Fashion trends dictate dress at HHS. The trends in the 1984-85 school year were bright, vibrant colors and lots of jewelry.

Women's fashions in clothing for the fall season included walking shorts, bright vests slit down the side, cropped blouses and pants, and feminine designer jeans in checks and stripes.

Winter fashions involved large, bulky sweaters and overlapping layers.

Jewelry fashions included add-a-beads, copper jewelry, bracelets, twist-a-beads, and large earrings.

Men at HHS are wearing thin ties, football jerseys and tee shirts, tennis shoes, button down oxfords, and jean jackets.

Weekends

Students at HHS enjoy gathering on weekends. There have been dances held throughout the year, such as Homecoming, Twirp, and more formally, the X-mas Dance, where students have gotten together. During football season there were always games for students to socialize.

Pizza Hut on Stokes Drive is a popular place among Hinton teens to congregate and eat, listen to music or just socialize.

Another weekend activity among Hinton youth is taking advantage of the Ball Park facilities in Bellepoint below the Bluestone Dam. There is a playground for young children to play and teens have a basketball and tennis court available. Families picnic under the shelter and all residents enjoy the scenic walk to the Dam.

DC

Tri-Hi-Y

Tri-Hi-Y is composed of girls in grades 10-12. New members are elected at the beginning of each school year to replace the graduated seniors of the previous year. The newly elected members engage in a week of activities to initiate them into the club. The week is ended by the candlelight induction of the new members. Besides initiation week, highlights of the 1984-85 Tri-Hi-Y year included the annual Avis Halloween party, football bake sales, third place banner in the Homecoming parade, and the big fund raiser of the year, the rock-a-thon held at City Side Track Park. Monies collected from the rock-a-thon were used to sponsor the Tri-Hi-Y Christmas Dance. The year ended with cookie and flower sales, collection for Heart Association, and answering phones for the March of Dimes.

"During the 84-85 school year we sold Christmas ornaments and computer project booklets. The money was used to buy software and computer magazines", said Brian Allen, President of the Computer Club.

Homecoming Royalty 1984

This year Hinton High went back to the previous way of choosing Homecoming Queen, which entitled the Varsity Football team to nominate their choices and present them to the student body to be voted upon. Of the girls nominated, Christy Lilly was the choice to be honored Homecoming Queen for 1984.

Christy, who is Senior class President and is active in many other school related activities, said, "I was looking at Missy and Robin because I wanted to see what their reaction was when one of them was announced Homecoming Queen, so I didn't even hear it announced at first. Then I thought how lucky I was after I heard it. The biggest thing was having my dad escort me at halftime. I'm really proud of him!"

Christy, along with her attendants, were presented to the student body during the Homecoming assembly, she was escorted by Billy Apostolon. Later that day, they participated in the parade through downtown Hinton. At the halftime ceremony of the Shady Spring-Hinton football game, Christy was crowned by 1983 queen, Lee Ann Goins (right). Queen and attendants were escorted by their fathers at halftime (above).

Homecoming attendants were: Seniors
- Missy Rhodes and Robin Crook, Junior Lisa Keaton, Sophomore - Vicky Loy, and
Freshman - Barbara Sexton.

Queen for 2nd year

Ronnelle Lilly has done it again! For the 2nd consecutive year she was chosen Jr. High Homecoming Queen. She and her court were presented at halftime at the Bobcat vs. Talcott Jr. High football game. She was escorted by Mark Fox. 7th grade attendants were Jennifer Labelle escorted by Charlie Cox and Valerie Pack escorted by Lee Pivont. 8th grade attendant Angie Fox was escorted by Jimmy Weiss.

Pictured above are: Jennifer Labelle, Charlie Cox, Angie Fox, Jimmy Weiss, Ronelle Lilly, Mark Fox, Valerie Pack, and Lee Pivont.

Tri-Hi-Y Sweetheart

Presiding as Tri-Hi-Y Sweetheart for 1984 was Missy Rhodes. Missy (pictured left, middle) has been a member of Tri-Hi-Y for three years. Chosen for Missy's attendants were Leisa Payne (left) and Teresa Mann (right). They were recognized at the Tri-Hi-Y Christmas Dance "Old Fashion Christmas" on Dec. 22 at the National Guard Armory.

Key Club Sweetheart

Key Clubbers united together to select as their sweetheart for 1984-85 Jo Ellen Vallandingham. Jo Ellen (middle), an active member of Key Club for 2 years, serves as secretary. Chosen as attendants were Robin Crook (front) and Donna Simms (back).

Bobcat Sweetheart

Annually, the 10-12 grade students select a senior girl to represent them as Bobcat Sweetheart. She is presented to the Student Body at half-time of a home basketball game. Given the honor of Bobcat Sweetheart for 1984-85 was Diane Crook. Chosen as her attendants were Sheila Ayers and Missy Rhodes.

Jr. Miss

Chosen for Summers County Jr. Miss for 1984-85 were Becky Anderson and Lisa Harper. The two girls were equal winners in the pageant. Lisa was also named Miss Ambassador and was the Scholastic Winner of the pageant. Both girls participated in the State Jr. Miss Pageant held at Concord College on February 23 & 24, where Lisa placed fourth runner-up.

HHS has many clubs and organizations offering a wide variety of activities and ways to serve the school and society. These clubs and organizations also bring a special closeness between members and sponsors. Many memories are made of these special relationships. Students have memories of fund raising activities such as rock-a-thons, lightbulb sales, candy sales or bake sales. But clubs are not all work. Club dances, meetings and conventions can prove to be entertaining. But both work and play will stand out in the memories of our high school years.

Leadership

Having to help the Junior High Student Council and also being an active member of the Senior High Student Council are just two things Student Body Vice President Teresa Mann enjoys doing. Teresa is a member of the Tri-Hi-Y and has been a Varsity Cheerleader for three years. Being involved with these activities, she finds it difficult to make time for school work which she thinks should always come first.

RIGHT: Scott Bulter Student Body President is involved in the band where he plays first trombone, a member of the National Honor Society and presently the youth leader at the Speedway Gospel Tabernacle. Scott says his greatest accomplishment as Student Body President is that in the past years the bookstore hasn't been open but two days a week. This year he was able to open the bookstore early in the school year and keep it open five days a week. This makes it possible for the students to depend on the bookstore and know that it will always be open.

Scott's favorite subject is physics because he finds it challenging to try and learn a hard subject. He also finds it interesting how the many different physics laws can tell us how motion and forces react in different situations. After graduation Scott plans to enroll at Concord College for one year in pre-law and then transfer to WVU to pursue a career in law.

Academics

Brian Allen has widely excelled in all of his courses. He is enrolled in the gifted course and is interested in art. Here Brian displays the lighter side of his personality.

Lola Lowery has a respected reputation of an A student. Here she is shown doing one of her interests: writing. Lola won the Herald/Register writing contest in the grades 10 through 12 category. She received a fifty dollar savings bond and her story was published in the newspaper.

His favorite class is physical science. 3.95 is his grade point average, and his name is Eric Jones.

When confronted about his score on his ACT test, he replied, "I was satisfied and fortunate that I got what I did."

After receiving a good score on a test he said he feels basically good and relieved that he didn't fail.

After more education and training, Eric plans to enter a career of aeronautical engineering.

Mike Montgomery, Senior, said the hardest tests he has ever had was the second semester Algebra II exam and the S.A.T.

With a 3.47 average, Mike says that after getting a good score on a test he feels that he deserved it if he studied, and is very pleased if he didn't study.

"Physics is my favorite class," said Mike, "I hope to go to V.P.I. and major in Biology while taking all Pre-med courses required. I plan to be a doctor someday."

Sports

Keith Wykle has been playing golf for Hinton High School for 2 years. In his spare time he plays golf at Hinton's home golf course. He usually shoots 41 or 42 on a par 36. After graduation he plans to attend Marshall and major in Business.

Sheila Ayers has played for the Lady Bobcats for two years. She plays point guard and averages 7 points per game. Sheila said her most rewarding game was against West where she scored her highest. Sheila is a member of the Honor Society, Vice President of FBLA and Bobcat Sweetheart Attendant.

Roger Hodge plays guard and forward and averages 11 points per game. Roger describes his most momentous game "My sophomore year Coach put me in a varsity game with Shady. It was the first game I started with the varsity that year. We ended up losing in overtime, but Coach let me start varsity for the rest of the year."

(I short)

Above left: Felix Wynes 5'10, 165 pound running back has gained over 4,000 yards in play. Felix has started for the Hinton Bobcats for four years. He was given honorable mention to the AA All State team. Felix suffered an ankle injury in the Hinton-Richwood game.

Above: Timmy Bugg is a three year starter for the Bobcats. Timmy is a 5'9 190 pound full back. He was named second team defense of the AA All State team and first team AA Coalfield Conference defensive unit. Timmy is a leading rusher and Curia says "He gives inside power and is a good blocker."

Beside: Mitch Bowling a 6'2 215 pound Senior has been a four year starter for the Hinton Bobcats. He holds the record for starting 39 straight games for Hinton. He was named Captain to the class AA All State highschool football team, the first for Hinton in 47 years. Mitch heads the first team defensive unit. Did you know that every ten seconds a teenager is involved in an accident involving alcohol? As most sophomores are now beginning to drive, they should become more aware of the dangers of drinking and driving. Lisa Brown says, "If a person is willing to take on the responsibilities of drinking while driving, they should take the consequences of punishment."

Another sophomore, Steve Cales, thinks that the laws should be tougher on people caught driving under the influence. "I think the laws should be strict and should apply to everyone, not just some people in some places."

In Special Recognition ...

We the Sports Editors for the 1984-85 Dart would like to dedicate this Sports Section to Coach John Curia, who has resigned as head coach of the Varsity Bobcat Football Team. During his 6 year career, Mr. Curia led the Bobcats thru 40 wins, 19 losses, and 1 play-off appearance in 1980. "It was a real pleasure for me to serve as the football coach," said Coach Curia, "and I would like to thank the many people, especially the assistant coaches and players, who were a major factor in what success we did enjoy."

We would also like to thank the following people for their special aid, cooperation, and extra privileges they extended to us. Peggy Breen, Craig Green, Matt Stonaker, Amy Berry, Kim Rodes, Susie Keffer, Mona Hutchison, Rebecca Ritchey, Mike Miller, and Coach Garten. Thank You.

And last, but not least, our special thanks to our sponsor, Jane Meador, who has helped us and lead us through an informative and exciting year of yearbook work. Thank you, Jane.

Junior High

Freshman Promotes Heavy Metal

With heavy metal becoming popular in the music world, many students get involved by buying tapes, records, T-shirts, buttons and much more to promote heavy metal, but one student at HHS has done more than buy promotions. He is promoting it himself.

Jay Holland has learned how to play bass guitar and is currently playing with a local heavy metal band, Paradox, composed of other teens like himself. Jay learned to play during his 8th grade year and says he was influenced by Chris Cooper, a junior at HHS, and drummer for Paradox.

"My favorite kind of music is hard rock and roll and heavy metal is the hardest."

Jay also attends concerts of some of his favorite bands when possible.

"Def Leppard, Iron Maiden, and Motley Crue are some of my favorite heavy metal bands. I've seen Def Leppard and Iron Maiden in concert and I thought they were great. I think everyone should get involved in heavy metal or any other kind of music."

7th Graders Adjust

"People told me high school kids were mean to 7th graders, but I found after a few days of school it was really fun," said one seventh grader.

To some 7th graders at HHS, coming to school was a frightening experience, while to others it was a welcomed change.

"You just go to school, work, and bring work home with you, just like in elementary school, only you have more time to talk to your friends between classes."

Closed campus, was a new feature introduced to the junior high students this year and some 7th graders reacted positively.

"People told me closed campus was a drag. They told me I wouldn't be able to go across the street to eat at Bonnie & Carol's, but it's not so bad because they come to us," quipped one 7th grader.

"Closed campus isn't bad. I usually just sit around talking to my friends and it doesn't matter if I'm talking to them on campus or off campus," summed up another student.
